

Form 11070 - APSC Employee COVID-19 Screening Form is now MOBILE!

Benefits of the new capability:

- Can be completed on mobile devices and emailed from your device
- Workers attest information is correct versus an ink signature.

Important Note: The form is password protected, because there is Protected Health Information on the form.

Password: 2020Work@Alyeska

iPhone instructions:

Step 1: Open the form and enter the password (2020Work@Alyeska),

Step 2: Click the Attach Icon (📎) and attach the completed form and send via email to OHUForms@alyeska-pipeline.com

If your iPhone does not automatically open the form in an editable format, download the Adobe Reader App or Xodo PDF Reader & Annotator from the App Store

Android Instructions:

Step 1: Go to your "Google Play Store" Search and download Xodo PDF Viewer and Editor (recommended app, others work too)

Step 2: Open the PDF using Xodo, password 2020Work@Alyeska

Step 3: Save the File to your phone – this will allow you open and update the form as needed

Step 4: Complete the form

Step 5: Click in the Xodo app to share via email type in OHUForms@alyeska-pipeline.com and send

NOTE: If the mobile option does not work. Employees can still access the form via email, download it from TAPS Doc (Form 11070) or download it from the external Alyeska Pipeline website. The password will still apply to open the form.

COVID-19 Screening Form is due to OHU 72 hours prior to returning to work/worksite
